

JUNIOR GOLF

Our junior camps and programs offer young players an opportunity to work on their golf game year-round. We focus on foundational practices to help all players achieve success.

The Bridgewater Club's #1 Priority in the Junior Golf Program is to provide students with a fun, safe atmosphere for learning the game of golf. We teach our juniors etiquette, fundamentals, and important rules and procedures to ensure the safety of every player.

Junior students are able to take private or semi-private lessons by our Golf Professionals or take part in our seasonal clinics.

LIL' CHIPS - Ages 4 to 7

JUNIOR GOLF - Ages 7 to 14
